

# Welcome to the theory test

## 1 Check-in at the check-in kiosk

Enter your reservation number and check your details. You can find the number in the invitation letter you received.

## 2 Belongings in the locker

Keep your ID and reservation number with you. Please put coats, bags, watches, electronic devices including mobile phones, and metal objects, like keys, in the locker.

## 3 Wait till it is your turn

Follow the instructions on the information screens.

Typing	Reservering	Status
11:40	4673	Ga naar start examen
11:40	4469	Ga naar start examen
12:00	2247	Spullen in locker
12:00	9376	Spullen in locker
12:00	4063	Spullen in locker
12:00	2092	Aangemeld
12:00	8271	Aangemeld
12:00	7271	Aangemeld
12:00	5902	Aangemeld
12:00	8049	Aangemeld
12:00	9914	Aangemeld

### Reservation number + 'Checked-in'

You are checked-in for the test. You will be called as soon as a seat is available.

### Reservation number + 'Belongings in locker'

It is nearly your turn. Check if you have put away your belongings.

### Reservation number + 'Go to start test'

It is your turn for the test. Identify yourself at the desk 'start test'.

## 4 Check-in at Start test

Here an employee will check your ID and give you your table number.

## 5 In the test room

Take your seat at the table with the correct table number. Place your ID on the table and enter your reservation number. Check if your email address is correct and press 'start'.

Follow the instructions on the screens.

## 6 End of test

You will receive the test results directly after finishing the test.

Passed  Failed 

## 7 Review wrong answers

Click the number of the question. You can scroll with the buttons 'next' or 'back' at the bottom of the screen. Time is limited. You can see the remaining time at the top of the screen.

## 8 Leave the test room and collect your belongings from the locker.

Good luck!
